Dear Fletchers,

I am writing on behalf of my son Aaron Relf who you generously sponsored a few months ago ,he loves his new compound bow and can not wait to get up to our local club twice a week .His scores are gradually going up with the help of Janice French who helps him ,last week he did a score for the July Nationals ,which is a postal league Archery GB runs and scored 600 on a short junior national round that is an increase of nearly a100 points on his score ,also he has broken 2 county records.

We would like to thank everybody involved for helping Aaron as it is his only social activity other than school, he so much wants to be like his brother and this goes a long way towards it. Many, many thanks again and will keep you informed of his various achievements.

Yours sincerely Mr & Mrs P .R.Relf
