I am writing on behalf of South West London Army Cadet Force to extend our most sincere thanks for your Livery Company's generous donation, which has enabled us to purchase our new Drum Major's sash. This gift is not only a practical asset but also a source of pride and inspiration for our cadets.

Your continued support plays a critical role in helping us deliver a rich and engaging Cadet Experience. Without the backing of organisations such as yours, we would find it significantly more challenging to provide the opportunities and resources our cadets need to develop and thrive. The contribution from your Livery Company has made a tangible difference in the lives of young people across South West London, and we are deeply grateful for your ongoing commitment to our cause.

Thank you once again for your fantastic support. We look forward to maintaining and building upon this valued relationship.

Colin Jones
